NIVETHA V

BSc Data Analytics | K. S. Rangasamy College of Arts and Science | Namakkal, Tamil Nadu

+91-8056583668 | niviethav00@gmail.com| linkedin.com/in/nivetha-8056n58 | github.com/Nivetha-2007-18

OBJECTIVE

B.Sc.Data Analytics student and consistent department topper with hands-on project experience in data cleaning, visualization, and reporting. Strong communicator and problem-solver, eager to contribute to a dynamic organization while growing as a data analytics professional.

SKILLS & INTERESTS

Programming Languages: C, Python, Java

Web Technologies: HTML, CSS

Data & Visualization: Power BI, Tableau, MS Excel

Concepts: OOP (Object Oriented Programming), Data Structures (Stack, Queue)

Design: Figma

Soft Skills: Communication, Data-Driven Decision Making, Problem Solving

EDUCATION

K. S. Rangasamy College of Arts and Science *July 2025 – Present*

BSc Data Analytics | Department 1st Rank | CGPA: 9.0 / 10

Devangar Girls Hr. Sec. School *March 2025*

Senior Secondary (Class XII) | School Topper | Percentage: 90.0%

Palaniyappa Memorial Hr. Sec. School *April 2023*

Secondary (Class X) | Percentage: 75.0%

INTERNSHIP EXPERIENCE

Data Science & Analytics Intern | Future Intern *Apr 2026 – May 2026*

Certificate ID: FIT/APR26/DS16787

- Completed a 1-month internship applying data science and analytics to real-world datasets.
- Performed data preprocessing and exploratory data analysis (EDA) to prepare raw datasets and uncover insights.
- Designed visualizations and reports using Power BI and Python, delivering actionable insights through practical project work.

AI-ML Virtual Intern | AICTE & EduSkill *Oct 2025 – Dec 2025*

- Completed a 10-week virtual internship in AI & Machine Learning, supported by AICTE, EduSkills, and Google for Developers.uiUI
- Gained hands-on exposure to ML algorithms, model building, and AI applications through structured training and guided projects.
- Achieved Grade A (Very Good) performance, demonstrating strong technical understanding and application of AI-ML concepts.

CERTIFICATIONS

Data Visualization — TATA Forage | Build with AI — Google for Developers | Power BI — ATS Academy | NoviTech — UI/UX Design

ACHIEVEMENTS

2nd Prize — TechForge Hackathon 2026 Project: EduNexa *Sept 10–11, 2026*

PROJECTS

Student Performance Analysis Dashboard — Power BI

- Developed an interactive Power BI dashboard visualizing real-world student data (attendance, exam results, department- and program-wise performance).
- Cleaned raw datasets, engineered performance metrics, and built charts, cards, and filters — enabling faster identification of at-risk students and department trends.

Personal Portfolio Website — HTML, CSS, JavaScript

- Designed and built a fully responsive personal portfolio with custom animations and interactive visualizations, applying strong UI/UX and front-end development skills.

Salon Website UI/UX Design — Figma

- Redesigned a local salon website in Figma, addressing unclear messaging weak calls-to-action and poor mobile usability.
- Created clean, structured screens and an interactive design flow guiding users toward booking, improving visual hierarchy and page clarity.

LANGUAGES & INTERESTS

Languages: Tamil, English, Kannada (Speaking) | **Hobbies:** Reading, Learning New Technologies
