INTERNSHIP OFFER LETTER

ID: AT/INT/2038598 **Date: 07-10-2026**

Dear Nivetha V,

We are pleased to offer you the position of **Front End Development Intern** at auspify technologies. Your skills, passion for technology impressed our team. We are excited to welcome you to our growing organization.

During your internship, you will work on real-time projects and modern web solutions. You will collaborate with our development team and contribute to innovative ideas. Your responsibilities will include research, documentation, and project support. We encourage you to enhance your technical skills and problem-solving abilities. Teamwork, professionalism, and continuous learning will be highly valued throughout your journey.

We are confident that your contribution will add value to our organization. We look forward to supporting your professional growth and development. Congratulations on your selection, and welcome to the auspify technologies family. We wish you a successful and rewarding internship experience. We encourage you to make the most of this opportunity and wish you continued success in your professional journey. This internship will provide you with practical industry exposure and valuable experience.
